Eclectic furniture and accessories

Chandigarh collection

Handcrafted reproductions of the original furniture developed for the urban development in Chandigarh in the 1950's.

All pieces are handcrafted in reclaimed teak and handwoven natural cane in India according to the original designs.

Teak natural

Antique dark

Our cane is woven by hand according to age old traditions and ,savoir faire'; we do not use industrial woven ,wiener cane' and do not press it in the wood.

As handwoven cane stretches when it is used on a daily basis for several hours we recommend to use cushions. we propose 2 standard cushions as below but can realise your cushions in any fabric you send us.
